Website: [www.chantrychinook.com](http://www.chantrychinook.com)

Valued Sponsor,

The Chantry Chinook Classic Salmon Derby has sponsorship opportunities available to highlight your firm's support of our fisheries and the environment. The Derby Committee again requests your assistance through donations of products or funds for prizes to be awarded to the Top 25 Salmon, Top 5 Trout, daily prizes and special events for Kids, Ladies and Seniors Days. The Derby features the largest prize package on Lake Huron. There are prize categories for the entire family as well as the seriously competitive angler, with the largest prize package on Lake Huron.

Derby proceeds go to the Lake Huron Fishing Club conservation account for their ongoing programs. LHFC depends on a successful Derby to continue their annual stocking of salmon and brown and rainbow trout from their hatcheries in Port Elgin and Kincardine along with their rehabilitation of local tributaries to improve fish habitat. Our efforts ensure Lake Huron remains a premiere Great Lakes fishing and tourism destination for our many annual participants and all anglers throughout the entire year. Support for this Derby helps ensure a sport fishery for our sons, daughters and grandkids.

Chantry boundaries cover over 100 miles of shoreline on Lake Huron and Georgian Bay making it the largest on the lake. Chantry anglers enjoy live streaming updates as fish are entered on-line from high speed computer- equipped weigh stations in Kincardine, Saugeen Shores and Pike Bay. There are state of the art fish cleaning stations in Kincardine, Southampton, Lion's Head and Port Elgin.

The Chantry Chinook Classic Salmon Derby Committee promotes your company's sponsorship by advertising in publications, website, and posters, as well as extensive radio coverage. Ads are also available in our "Hooked on Huron" brochure.

The Derby Committee respectfully requests your support for this our 32nd annual, 16-day Chantry Chinook Classic Salmon Derby.

For additional information on sponsorships, kindly phone Brian Lang at 519-353-8818 or Fax: 519-832-4121 and we encourage you to visit our website at [www.chantrychinook.com](http://www.chantrychinook.com)

Yours Sincerely,  
2018 Chantry Derby Committee

## **HISTORY OF THE LAKE HURON FISHING CLUB**

The Lake Huron Fishing Club (LHFC) was founded in 1983 as a not-for-profit organization in the Province of Ontario. The mission statement for the Club is "Dedicated to ensuring future generations will have quality fishing opportunities". This includes education, promotion, protection, collaboration and enhancement of our aquatic activities and resources.

The LHFC has members from all across Ontario. The majority of the Club's several hundred members come from within the boundaries of Bruce, Grey and Huron counties. The Lake Huron Fishing Club has developed productive partnerships with all of the Municipalities within this area.

The first Lake Huron Fishing Club fish enhancement project was the construction of a chinook salmon production facility in the Town of Port Elgin. To fund the construction and operation of this project, and enable other conservation and fish enhancement efforts, a source of funds was required. The Chantry Chinook Classic Salmon Derby born in 1983 is now a 16 day event.

Over the years, the Chantry Chinook Classic Salmon Derby has raised hundreds of thousands of dollars for the Lake Huron Fishing Club to fund a variety of community projects. The Derby is very proud of the enhancements to the fishery along the Bruce County Lake Huron Shoreline, the Saugeen River and its many tributaries.

Thousands of hours of volunteer work are completed each year by our Club members. Some of the Club's current activities include: operating the Kincardine Trout Hatchery, the Saugeen Shores Chinook Hatchery, stream enhancement projects involving tree planting, cattle fencing, bank stabilizations, spawning bed creation, fish habitat studies, projects in public schools, maintenance of public access points, endeavors to protect the fishing rights of all citizens and assisting Government Agencies on assessment, enforcement, and various new enhancement programs involving the Lake Huron and area fishery, are some of our Club's current activities. The Club totally relies on donations and volunteers since minimal government funding is available.

For further information on the Lake Huron Fishing Club, the Chantry Chinook Classic Salmon Derby, and how we are all "dedicated to ensuring future generations will have quality fishing opportunities" along the Lake Huron Shoreline, visit the websites.
